Summary	An interesting tour, which gives you a view of the Royalty of Sweden, past and present. The tour goes from City landscape to unspoiled beautiful countryside with typical Swedish farms and Churches.
Description	Tour description: This is a very special and popular tour highlighting the Royalty of Sweden, past and present. We stop in the beautiful park at Ulriksdals Palace with its dramatic history of the little prince Ulrik. At Haga Park King Carl Gustav used to stay in the summer, when he was a young prince. Lovö Church is a typical and beautiful old church in the countryside, with interesting rune stones dating from around AD 1050. The Royal Family lives in Drottningholm Palace today. Drottningholm Palace with its beautiful parks and Chinese Pavilion are on UNESCO's World Heritage List.
